## **We Welcome You to Our 76th Annual Canterbury Fair**

The clergy, staff and parishioners of our historic church in Rumson, N.J. welcome you to an enjoyable event for individuals, families and children of all ages. This old-fashioned Fair offers something for everyone. Please see centerfold map.

Our Canterbury Fair Preview Day on Friday gives treasure hunters an early chance to buy wonderful bargains in a variety of areas, including the White Elephant Marketplace, Pictures/Art/Frames, Furniture, Linens, Jewelry, Electronics and Books. Entrance fee to Preview Day is only \$5. Box lunches will be for sale.

Saturday is Fair Day with no entrance fee, where families can enjoy cotton candy, ice cream from Gracie & the Dudes, the bounce house and many other games and activities for children. For purchase is an all-access wristband which allows for an entire day of fun, games and activities. Treasure hunters can buy unique items in the White Elephant Marketplace; Porch, Patio and Greenery; and Canterbury Treasures; as well as purchase jewelry, accessories, electronic goods, books and more. This year, on Fair Day only, there will be a courtesy van provided by Arrow Limousine that will shuttle between parking at Holy Cross Church and St. George's Fair from 9 a.m. to 3:30 p.m. Also this year are Tours of St. George's Church. See page 17 for details.

The Silent Auction is a chance to win fabulous prizes, such as tickets to events, vacation opportunities, restaurant vouchers and one-of-a-kind items and activities. Remember to buy children's Raffle Tickets as well. No need to be present to win as we will contact you if you are the lucky winner!

St. George's parish members volunteer their time and talents to make this an enjoyable event for all. The main goal of the Canterbury Fair is to raise money to support the mission and ministries of the Parish, including Outreach Programs. You can find a list of our grant recipients in this brochure. We are grateful for the community support we receive each year that helps us achieve these goals.

Thank you for attending our 76th Canterbury Fair!

## ABOUT OUR CHURCH

*St. George's by the River Episcopal Church  
Photo by Taylor McFarland*

St. George's-by-the-River Episcopal Church was first established in 1874 as St. George's-on-the-Hill, on Bellevue Avenue where Rumson Country Day School is now. The present structure, an early English Gothic church in the perpendicular style, was consecrated in 1908. Within the next few years, the Parish Hall and Rectory were completed.

After building the Cloister in the 1940's to connect the Church and Parish Hall, the 1950's saw the addition of Parish Offices, the Chantry and the Chapel of the Resurrection, located to the south of the Nave. There is also a Carillon with 26 bells, one of only four Carillons in New Jersey. The church grounds were designed by the firm of Frederick Law Olmsted, the renown nineteenth-century landscape architect who created New York City's Central Park. St. George's by the River was registered in 2007 as a listed historic site with both the National and NJ State Registers.

St. George's-by-the-River is a parish church of the Diocese of New Jersey, the second oldest diocese of the Episcopal Church in America. As such, we are members of the worldwide Anglican Communion. We are a friendly and caring parish, and we welcome visitors and new members into our church community.

## *Learn More About Our Historic Church*

### **Overview of the Art and Architecture Tour**

A tour of the impressive art and architecture of St. George's-by-the-River, given by **Constance Gryczka**, will point out much of the historical origins and how they have evolved over time. The stones enclose a wealth of visual beauty, making this historical landmark worthy of a closer look. Consideration is given to how the design of this house of worship best conveys the Christian virtues of faith, hope and charity. Guided tours will be on Saturday, June 8th at 11:30 a.m. and 1:30 p.m. If you are unable to join the tour, written information about St. George's will be available in the church Narthex.

**Constance Gryczka**, a Monmouth Beach resident, received her B.A. from Monmouth College and her M.A. from Kean College. While teaching the Visual Arts in the Rumson School District for 32 years, she attended multiple study-abroad programs in Europe. Now retired, Connie visits Italy on a regular basis studying the country's art and architecture.

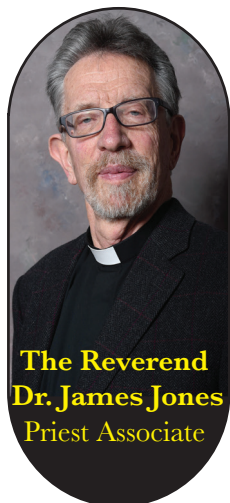

### **Carillon Concert in August: "Summer Bells IV"**

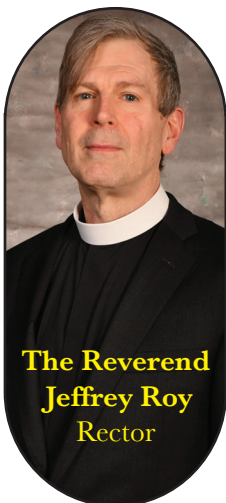

The year 2024 marks the 90th anniversary of installation of our set of traditional bells. Come and hear the beautiful sounds of our English Church Bells at our 4th Annual Carillon Concert on the 8th of August 2024 at 7 p.m. with guest carillonneur Dr. Andrea McCrady.

St. George's Carillon is one of only four in New Jersey. A carillon is a musical instrument consisting of a keyboard and at least 23 bells located in the bell tower (belfry) of a church. Keys, also called batons, are played by a carillonneur or by an automated system. Batons are connected to bell clappers that strike each bell to produce beautiful sounds. St. George's Carillon has 26 bronze bells of varying sizes. The larger bells play the lower notes of the scale, and the smaller ones the higher notes. The largest bell weighs 6,000 pounds. The carillon was placed in service on October 23, 1934 with 25 bells. The bells were donated by Mr. Bertram Borden, a St. George's parishioner, leader and benefactor, in memory of his wife, Mary Owen Borden. The original bells and supporting infrastructure were manufactured by the John Taylor & Co. foundry in Leicestershire, England, with the 26th bell being purchased from the same foundry and added in 2001. Bells are played prior to church services, as well as for weddings and other special occasions.
